From the Prez

Another successful 49er Family Enduro is in the books (at least the results) and we are shifting gears for our summer schedule of riding in Nevada, Sac Raceway and Lodi Cycle Bowl. We had almost 400 entries at the Family, nearly 100 more than last year. Once again, the Dots are leading the way in D36 with the highest turn outs in both cross country and enduro events! Hangtown was last weekend and there was definitely a reduced showing of Dots flagging on the hillside and racers on the track for amateur days. The Diggers added +50 classes this year and I think Bill and Limey could have cleaned up in the Novice category and Dave Wells in the Expert. Next year you can count me in the +50 Intermediate class! The track was the best I've seen at PC. It wasn't muddy and stayed damp throughout the entire pro events. I'm looking forward to Bill's Nevada ride in a couple weeks and our Dots only class at Sac Raceway the end of the month.

See you at the Races!

Kevin Allec and Curt Backhaus have applied for positions on the El Dorado County committee, and Mike Fallon has applied for a place on the Amador County committee. The El Dorado County committee will have approximately \$300,000 available each year for the next four years for projects it recommends to the Forest Supervisor for approval. The Amador County RAC will have approximately \$47,000 for the same time period. The funds may be used for projects that improve maintenance of existing infrastructure, implement stewardship objectives that enhance forest ecosystems, and restore and improve land health and water quality. The selection process for these committees is currently underway, and hopefully we will get some Dots in there.
