## From the Prez

I know this is a little late but I wanted to get the Newsletter out so everyone has the schedule and marks their calendars for the Ride of the Months and the 49er Enduro. **The most important date on the calendar is October 25<sup>th</sup> for the 49er!** Come up to the enduro early on Friday if possible, help arrow and learn the direct routes to your check and the area. 49er Chairman Mike Fallon will be assigning positions at the October meeting if you didn't already volunteer for one. It is critical to the success of the enduro that you attend the event and know your duties for your position.

The fall event season is also the time to fulfill your work party and racing requirements to be in good standing for next year. Remember, you need to have at least 3 work parties and 2 races by the end of the year (5 work parties and 5 races are needed for full Ride Incentive). Curt recently sent out everyone's participation summaries and it shows what you need.

See you at the races!

Bret
